

YOUR CHALET CHEF

Our Covid Pledge

As with any recipe, it's vital to get the basics right, and kitchen hygiene is no different. We've always prided ourselves on a high standard of kitchen cleanliness; however, we are conscious of our responsibility to take extra measures in order to stop the spread of Covid-19. As such, it is our pledge to;

Maintain a distance of 1 meter wherever possible

Regularly and thoroughly clean our hands with soap and water and an alcohol based hand sanitizer

Wear a fabric face mask while in your chalet

Wear vinyl gloves when handling food produce

Stay up-to-date with trusted information sources, such as local and national health authorities and the WHO.

For more information, please refer to the WHO's page on advice for the public at www.who.int/emergencies/diseases/novel-coronavirus-2019/advice-for-public
